

# The Mobile App

Made to Keep You Moving

## Convenient Access to Your Healthcare

With the CareATC mobile app, you can take your wellness with you – anywhere, anytime! When it comes to managing your health, we make every effort to ensure that you can safely and securely access the information that matters most.

To help everyone get the most from this benefit, it's important that each member on your health plan age 18 and over create their own account.

## Activate Your Benefits in 5 Minutes

New? Activate your account in minutes to access your services. It's important that each member on your health plan age 18 and over create their own account.
